1. The 1973 Supreme Court decisions in Roe v. Wade, and Doe v. Bolton did more than just 'legalize' abortion-on-demand; they prohibited virtually any federal, state or local laws from protecting preborn children from death by abortion throughout all nine months of pregnancy. Will you support reversal of Roe v. Wade and Doe v. Bolton?

Response: Yes

Comments

Response: I do not believe that the Supreme Court's finding of a right to privacy justifies the taking of another life.

2. Will you support state legislation to ban abortion-on-demand from fertilization to birth?

Response: Yes with exceptions (please specify)

Comments

Response: Except when the life of the mother is endangered.

3. Will you support legislation prohibiting use of tax money for organizations that promote or perform abortions?

Response: Yes

Comments

Response: Regardless of personal belief on the merit of abortion, I would hope that we can all agree that nobody should be forced to fund a procedure through their tax dollars that they find abhorrent.

4. Will you support medical standards, regulations, and inspection of abortion facilities?

Response: Yes

5. Will you oppose abortion being funded, subsidized, or otherwise promoted in government programs or education?

Response: Yes

Comments

Response: Yes, for the same reason as question 3.

6. Will you oppose any legislation that promotes or encourages healthcare rationing for the elderly and other vulnerable people?

Response: Yes

Response:

7. Will you support conscience protection legislation for healthcare workers who do not want to participate in abortions or other immoral practices?

Response: Yes

Comments

Response: Yes, but it depends on how the legislation is worded. An employer should be allowed to set requirements for their employees that are legal. The employee of course has the ability to leave the job if they choose.

8. Will you support legislation prohibiting the killing of human embryos used for scientific research?

Response: Yes

9. Will you support legislation prohibiting all cloning of human beings?

Response: Yes

Response:

10. Will you support legislation prohibiting assisted suicide in Ohio?

Response: Yes

Comments

Response: In most cases, yes, but I recognize that personal liberty includes the liberty to do stupid things - including ending your life. I would oppose all

active means of assisting, but passive means (i.e. not undertaking heroic measures) should be legal.

11. Will you vote for leadership in the Ohio House/Senate who upholds pro-life principles?

Response: Yes
