The 1973 U.S. Supreme Court decisions in *Roe v. Wade* and *Doe v. Bolton* did more than just "legalize" abortion-on-demand; they prohibited virtually any federal, state or local laws from protecting pre-born children from death by abortion throughout all nine months of pregnancy.

1. Will you support reversal of *Roe v. Wade* and *Doe v. Bolton*?

YES NO

Comments:

The most essential role of government is the protection of innocent life. The very purpose of our constitution is to recognize rights granted to us by God and take steps to ensure sanctity of those rights.

2. Will you support state legislation to ban abortion-on-demand from fertilization to birth?

YES Yes, with exceptions (please explain) NO

Comments:

I am 100% pro life. I do understand issues related to ectopic pregnancies.

3. Will you support legislation prohibiting use of tax money for organizations that promote or perform abortions?

YES NO

Comments:

As Attorney General I would seek to file injunctions against any government agency that spends money on abortions or related services as a violation of the Ohio Constitution.

4. Will you support medical standards, regulations, and inspection of abortion facilities?

YES NO

The only acceptable "medical standard" for an abortion provider is "out of business." I will seek to use the litigation role of Attorney General to shut down abortion providers statewide.
