Response: Ohio House District 28

Have you previously held any public office? (Please specify)  
Response: No

1. The 1973 U.S. Supreme Court decisions in Roe v. Wade and Doe v. Bolton did more than just "legalize" abortion-on-demand; they prohibited virtually any federal, state or local laws from protecting pre-born children from death by abortion throughout all nine months of pregnancy. Do you support reversal of Roe v. Wade and Doe v. Bolton?  
Response: Yes

Comments  
Response: I believe these were wrongly decided as a matter of constitutional law - I believe states have the power to legislate the protection of life.

. 2. Do you support federal and state legislation to ban abortion-on-demand from fertilization to birth?  
Response: Yes with exceptions (please specify)

Comments  
Response: In being consistent with my interpretation of the Constitution, I believe these should be enacted at the state level only. I do not believe the federal government has the power to ban it directly any more than they have the power to fully legalize it. I do support legislation at the federal level to clarify (i.e. remove) jurisdiction from federal courts regarding Roe v. Wade.

. 3. Do you support legislation that prohibits distributing tax money for any reason to organizations that promote or perform abortions?
